

International Explorers of Mahendra – Team 2

21.11.2018 – 26.11.2018

Ten students and two staff of Mahendra Engineering Colleges undertook a second International visit to UAE from 21/Nov/2018 to 26/Nov/2018 organized by Mahendra Education Trust.

The Purpose of this trip is to give exposure to our students on the latest trends in international higher education, Technology, automation in manufacturing, life style, and trends of world standards.

The students were also given exposure on culture, nature, arts, heritage and History of Middle East region.

The visits include a one day engagement at Ajman University, Ajman, UAE comprises of Infrastructure visits, Lab facilities, visit to exhibits, class rooms, interactions, discussions, and social time with the staff and students. The students Met Dean of Engineering and few faculty members as well as taken to the campus tour by the International affairs department.

Students learnt lot many things on higher studies, evaluation process, Employment opportunities in UAE, and asked many questions to get their knowledge updated.

Visiting Ajman University , Ajman, UAE on 21.11.2018

The next day 22st, Nov. The team visited Abudhabi and witnessed the marvelous architectures of Grand mosque of Abu Dhabi , Palm jumeirah, a man made palm like island landscape, Dubai Arab tower and learnt the cost and technology involved in such huge architectures and how these infrastructure develop the economy of UAE and the tourism.

The third day 23nd Nov. Our students got opportunities to join the Alumni meet gathered at UAE by illustrious Alumni of Mahendra Institutions who work at UAE in various capacities. The talk by Alumni motivated the visiting students and the interaction lasted long on technical, economical and many wide areas. Mahendra Educational trust organized this event and hosted the event with lunch at Caravan restaurant Burdubai.

Alumni Meet at Sharjah, UAE on 23.11.2018

The fourth day 24th dawn was seen by the team from the world's tallest building 'Al burj Kalifa' the team spent a meaningful time there and continued their sightseeing until afternoon. The team, visited 'Al Tajir' Glass Factory and had a detailed know how of glass vessel making from raw materials to packing for sales.

The evening sunset was witnessed by the team in the deserts of UAE with lot of fun and thrill activates lasted until dinner at the sand dunes.

The fifth day 25th November went well with visiting to dubai malls to various activities including, Visiting the gigantic underwater world aquarium, and shopping.

The students learnt a lot many novel and first in life time experience that enhanced their attitude, elegance, and personality.

Every member of the team thanked the College and Mahendra Educational trust for organizing this trip and everyone is willing to join the next trip without fail.

Prepared: Dr.Andrews, Dr.Dhavamani.
