

International Exposure Visit to Malaysia & Singapore by Students of Mahendra Educational Institutions.

17-09-2017 to 22-09-2017

Mahendra Educational Institutions Sponsored 20 of its students and 2 staff to an International Exposure visit recently to encourage them for enriching their learning and understanding to the levels of international standards. When it comes to understanding other countries and cultures, there is always more to learn. To mahendra, that is one of the reasons this exciting international trip is arranged for our students. This trip started on 17th September 2017 and finished on 22nd September 2017.

Day 1 : Multimedia University, Cyberjaya -Malasiya

Day 2 : Tailors University Subang Jaja , Malasiya

Day 3 : Nanyang Technological University, Singapore

Day 4: Multimedia University, Melaka campus
